Foreword from the President

It is my great pleasure, on behalf of the Chartered Institute of Government Finance, Audit & Risk (CIGFARO), to welcome you to the CIGFARO Annual Conference 2026, taking place from 5–8 October 2026 at the Durban International Convention Centre (Durban ICC).

The Annual Conference remains one of CIGFARO's flagship platforms for bringing together professionals and leaders across public finance, audit, risk, governance and related disciplines. It provides an important opportunity for us to reflect on the evolving public sector environment, exchange knowledge and experiences, and engage on practical approaches that can strengthen the institutions we serve.

As public sector professionals, we operate in an environment that demands greater accountability, transparency, innovation and sound financial management. These expectations require us to continuously strengthen our professional capabilities and to remain responsive to the changing needs of our communities and institutions.

This year's conference programme has been developed to encourage meaningful dialogue, critical thinking and knowledge-sharing through keynote presentations, masterclasses, plenary engagements and breakaway sessions. I encourage every delegate to participate actively, ask questions, share experiences and make the most of the opportunities to engage with fellow professionals, speakers, partners and exhibitors.

The conference is also an opportunity to strengthen professional networks and build relationships that extend beyond the four days of engagement. It is through collaboration, shared knowledge and a collective commitment to professional excellence that we can contribute meaningfully to stronger and more sustainable public institutions.

I would like to extend my sincere appreciation to our members, speakers, sponsors, exhibitors, partners, stakeholders and the CIGFARO team for their continued commitment and contribution to the success of this important platform.

As we gather in Durban, I invite you to engage openly, learn from one another and take away practical insights that can be translated into action within your respective institutions.

I look forward to welcoming you to the CIGFARO Annual Conference 2026 and to sharing in what promises to be an engaging, insightful and impactful programme.

Warm regards,
Louise Muller
